**BEFORE THE TENNESSEE REGULATORY AUTHORITY**

**IN THE MATTER OF THE APPLICATION  
OF COMTECH21, LLC FOR A CERTIFICATE  
OF CONVENIENCE AND NECESSITY TO  
PROVIDE LOCAL TELECOMMUNICATIONS  
SERVICES IN THE STATE OF TENNESSEE**

**DOCKET # 04-00057  
Motion For Continuance  
DATE: June 8, 2004**

**COMTECH21, LLC  
MOTION FOR CONTINUANCE**

**NOW COMES** Applicant ComTech21, LLC, and respectfully moves and requests that the Tennessee Regulatory Corporation (TRA) grant its request for a continuance of the hearing on Applicants Application for a Certificate of Convenience and Necessity to operate as a competitive local and interexchange telecommunications carrier in the state of Tennessee, which hearing is currently scheduled on Friday, June 18<sup>th</sup>, 2004. In support of its Motion to request a continuance in the above captioned proceeding, Applicant states as follow:

1. Applicant previously files its application for a Certificate of Convenience and Necessity to operate as a competitive local and inter-exchange telecommunications carrier in the state of Tennessee with the TRA.
2. On March 8, 2004 the TRA served Applicant ComTech21, LLC with a series of request for information with respect to the financial, managerial and technical abilities to provide the service for which they seek authority in this docket.
3. On or about April 12<sup>th</sup>, 2004, Applicant Comtech21, LLC provided responses to the requests for information that the TRA had previously served upon Applicant.
4. Applicant ComTech21 is extremely interested in pursuing this application, and receiving the Tar's approval to operate as a competitive telecommunications carrier in the state of Tennessee. Regretfully, due to scheduling conflicts beyond the control of the Applicant, it will not be possible for a member of the ComTech21's management team to appear at the hearing currently scheduled for June 18, 2004.
5. Applicant ComTech21 does not request this continuance in order to interpose any delay in the Tar's process with respect to its pending application, and desires to have the June 18, 2004 hearing rescheduled for a time convenient to the TRA.
6. Applicant ComTech21 has communicated its desire to re-schedule the June 18, 2004 hearing with staff of the TRA, and understands that its need to continue the hearing on its application in this docket may result in an extended delay in the consideration of its application.

WHEREFORE, Applicant ComTech21 respectfully requests that the TRA grant its Motion

for its June 18<sup>th</sup>, 2004 hearing to a date in the future that is convenient to the TRA.

Respectfully,
